++ Valid for broadcast between 1800 and 0600

Headline:
Dry and settled for most, though often cloudy.

This Evening and Tonight:
Rain and drizzle will move northwards across Northern Ireland and Scotland. Elsewhere, mostly dry but rather cloudy for most. Some clear spells, mostly across northeast Wales, northern, central and eastern England, where some frost and fog is possible.

Thursday:
Rain clearing the far north of Scotland. Mostly dry but rather cloudy across many areas, with fog perhaps slow to clear eastern England. Some sunny spells, mainly in the northeast.

Outlook for Friday to Sunday:
Generally dry and cloudy with light winds, though a few sunny intervals are likely, especially for parts of Scotland. Temperatures slowly decreasing, with patchy overnight fog and frost in places.
